0 · JOIN

Enter a club invite code. Optional import of your existing reading history so shelves aren't empty on day one.

1 · SHELVES

Home. Three default shelves; filter chips for Favourites and Club picks. Users can add custom shelves.

2 · BOOK

Progress, favourite, then club notes as index cards. Spoiler-gated by chapter.

3 · MEETUP

One ticket per month: book, date, place. RSVP, then vote on next month's pick and date.

4 · CLUB

Recommendations from members plus a ledger of every book the club has read and rated.
